Sir,

**Sub:** - Information requested under RTI act 2005-Reg.

**Ref:** - Your on line application Dtd: 30.09.2022 and received this office on 01.11.2022

\*\*\*\*\*

With reference to the above subject, the information sought by you is as detailed below

The work award had been issued by this office to M/s. Provident Housing Ltd., vide letter no. EEE/BMWND/AEE(O)/F-/2011-12/3578-79 dated 10-11-2011 to carry out the sub-station and line work on **Self Execution Basis**.

**Work is commenced from November-2011.**

**Station:** All equipments erected including transformer. Cable laying, termination also completed.

**Balance works:**

1. PC tests & Commissioning.

**Line:** Construction of proposed 66kV SC line on DC towers using Drake ACSR from the existing 220/66kV Doddaballapura KIADB station to the proposed 66/11kV sub-station at Well Worth City.

- This office addressed a letter dated 27.12.11 to the **Assistant Executive Engineer, PWD, Doddaballapura** and the **Range Forest Officer, Doddaballapur** requesting to give permission to cut the trees to facilitate to construct the proposed line along the both sides of State Highway.

Rg post CP1

- This office addressed a letter dated 27.12.2011 to the **Assistant Executive Engineer, KIADB**, Doddaballapura to accord approval to construct the 66kV line along service roads of KIADB land.
- The Executive Engineer, PWD addressed a letter to M/s. Provident Housing Ltd., Bangalore stating that permission for erecting of towers and transmission lines in PWD area cannot be granted as four lane work has been proposed and until completion of work KPTCL line should not be drawn.  
**Hence the work has been stopped.**

**66kV Terminal Bay at 220/66kV KIADB Doddaballapura station:**

All equipments erected.

**Balance works:** Bus bar formation, PC tests & Commissioning.

The Chief Engineer Electy., Transmission Zone, Bengaluru had addressed a letter to M/s. Provident Housing Ltd., to co-ordinate with PWD authorities/ other agencies and explore the possibilities for construction of 66kV line. But there is no response.

This is for your information.

Yours faithfully

*Apr 20/11/22*

Executive Engineer (Elec)  
B.M.W.N.D, K.P.T.C.L,
