VISION & MISSION

I am KK Dinesh, resident owner of H1-407.

A Soldier retired from Indian Air Force after serving for a period of 20Years. I have been a resident of Bangalore since 2006, a total of about 17years and staying in PWC since January 2021. Worked with MNCs like Kingfisher Airlines, AMC Cookware, Gati KWE etc in the capacity of Administrator & Purchase Manager, covering multiple locations for more than 15 years. The area of responsibilities includes but not limited to Office Administration, Procurement, Maintenance, Security, Housekeeping, event Management etc. I have successfully handled a team of more than 250 staffs in multiple departments. Adding to it, I had a small tenure of heading an Apartment complex in Bangalore, that had about 1650 dwellings.

With all these vast experience in handling Men, Materials, Property and Purchase, I thought of voluntarily contributing my experience in serving our community, where I myself is a beneficiary. As a Soldier, I served my Nation in my young age and now, with the Knowledge and experience gained through these years, if I would be able to contribute some benefit to my fellow Citizens, I would be the most Happiest person.

My Vison and Mission is that, given a chance, I am sure, I would, as a team member, be able to continue with a lot of actions & activities in the society for the betterment of each resident. This would include but not limited to internal but communicating with external Agencies and Organizations for better facilities and benefits to our Community.

Thanking you,

With Regards,

KK Dinesh
