PWCAOA Announces Delay in Evaluation of FMS Tender Documents

PWCAOA today announced that there has been a delay in the evaluation of tender documents for the FMS contract. Our association is committed to conducting a thorough and fair evaluation of all bids, and this has taken longer than originally anticipated.

We apologize for any inconvenience this may cause and appreciate your understanding. We will inform you of the results of the evaluation as soon as they are available.

In the meantime, please do not attempt to communicate with any office bearer or board member of PWCAOA. Any attempt to do so may be considered a conflict of interest and could disqualify your bid.

Thank you for your patience and cooperation.
